## 2017 EXCELLENCE IN CONSTRUCTION AWARDS NOMINATION FORM

On February 9, 2018, Houston area general contractors and architects/engineers will be recognized at ASA-HC's annual Excellence in Construction Awards event. Winners will be selected by the members of ASA-Houston Chapter through nomination and voting. There is no limit to the number of nomination forms each member of ASA-HC is eligible to submit, however, **submitting a person, company or project more than once does not increase the chances of getting nominated -- ALL verified nominations will be on the ballot submitted to members in December.**

### **DEADLINE FOR ENTRIES IS FRIDAY, NOVEMBER 10, 2017**

After reading these requirements, please fill out your nominations on the following page and return to the ASA-HC office via email, [asa@asahouston.org](mailto:asa@asahouston.org).

**An outstanding General Contracting company** runs a smooth, efficient, well-coordinated job; maintains safe job conditions; makes timely and appropriate payment per the subcontract terms; properly sequences and coordinates the specialty trades; understanding, reasonable and fair with its subcontractors and suppliers; reasonable and cooperative with respect to change orders, back charges and in negotiating contracts and terms.

**An outstanding Architectural/Engineer firm** has reasonably clear, accurate and complete, drawings and specifications; cooperative in assisting subcontractors resolve technical problems and in approving shop drawings, samples and submittals; fair and willing to interpret, explain and/or amend drawings and specifications when necessary; considerate of subcontractors with respect to prompt approval of pay request.

**An outstanding General Contractor Project Manger** is a highly efficient, professional job manger who skillfully and fairly coordinates schedules of the various trades to avoid conflicts and ensures the site is available for material deliveries; ensures change in scope of work and change orders are processed timely; reliable, dependable and meets commitments to the subcontractors and suppliers.

**An outstanding General Contractor Project Superintendent** is a highly efficient and professional job manager who skillfully and fairly coordinates schedules and work efforts of the various trades; is an astute planner who assures the site is accessible and available for material deliveries, and that suppliers are facilitated; ensures that subcontractors have the necessary temporary utilities and that the work of all trades is appropriately scheduled to avoid conflicts; quick to anticipate, detect and resolve on-site problems; insists that the jobsite is clear of clutter and maintains a safe workplace; reliable, dependable and meets commitments to the subcontractors and suppliers.

**General Contractor Safety Award** is for a contractor that exemplifies jobsite safety consistently, fairly and throughout all projects; develops, implements, and manages safety programs, policies, and procedures; demonstrates extensive knowledge of OSHA, state and local safety laws to ensure compliance of all parties on all jobsites; motivates others to be proactive about safety practices, and procedures; uses their vast experience to reasonably attain the safety goals on every project.

**Projects submitted must be substantially completed in 2017. Based on quality, on-schedule, on budget, safety and uniqueness of the project.**

Projects eligible to be nominated must be located in the Greater Houston/Galveston/Golden Triangle area, and can include projects in Bryan/College Station, TX. The EIC Committee reserves the right to review all nominations for eligibility.
