

## 2026-27 ANNUAL SPONSORSHIPS

---

The ASA Houston women's peer group holds events/programs at least six times per year. Attendees pay no fees to attend and participate in *most* events thanks to sponsors like you! Sponsorship dollars are also used to raise awareness through various promotions and related industry partnerships. In return for your sponsorship, your company will be recognized on the peer group webpage, event registration pages, social media, and via signage and formal recognition at each event.

All sponsors have the option to contribute branded goodies to attendees at events.
