Trends in Building Construction

ASA-HC and Houston Area Glass Association (HAGA) Joint Meeting

This 90-minute presentation by Consulting Collaborative's Richard D. Voreis is based upon recent findings in a research study involving subcontractors in 10 states, as well as 23 leading architectural firms in six U.S. cities. The presentation will have a special emphasis on the exterior building envelope and interior space, including a photo gallery of domestic and international projects featuring architectural products installed by various subcontractors.

Thursday, April 13, 2017
