## SHE BUILDS IT GATHERS FOR A SUCCESSFUL NIGHT OF NETWORKING AND CHARITY

On Wednesday, December 5, more than 170 women from companies involved in the Houston construction industry gathered together for a holiday networking and fundraising event. The festive gathering was held at Kirby Ice House, with beverages and lite bites sponsored by Andrews Myers' Women's Initiative. During the event, women in the construction industry had the opportunity to meet one another and build relationships, while also lending a helping hand to ASA-HC families with kids who could use a little help this holiday season. Gift cards were collected to distribute to the families - the women in attendance donated more than \$2,500 in cards, which were given to 21 families within 10 ASA-HC member companies.
