

COMMITMENT TO SAFETY (CTS) PROGRAM

Program Requirements and Application for Acceptance

SILVER LEVEL

The American Subcontractors Association-Houston Chapter (ASA-HC) Commitment To Safety (CTS) program was developed to increase the number of specialty contractors who implement effective safety and health programs and provide effective safety and health training for management, supervisors and employees.

Through the three levels of the program (Member, Silver and Gold) ASA-HC seeks to recognize those contractors with exemplary safety and health programs and effective site-specific safety and health plans and to assist specialty contractors in with continuous progress in the area of employee safety.

Application Submittal/Re-Qualification Procedures:

1. A non-refundable \$50 processing fee is required for all Silver level applications or renewals. (CTS plaque included.)
2. First time CTS applicants may submit an application to the program at any time during the year.
3. If the application is incomplete or the company is not qualified for the level it has applied, the company will have the following choices:
 - a. Accept placement into a CTS level for which it is qualified with the current application; or
 - b. Withdraw the application in consideration for re-applying after achieving the requirements for the desired level; or
 - c. Submit the requested documentation within 90 calendar days from the date of notification. NOTE: in this case the application process will be suspended during said period until the information is received. If at the end of the 90 calendar-day period the missing documentation has not been received, the application will no longer be considered valid.
4. Once a company has been accepted into the program, yearly re-qualification is required at all levels. The re-qualification period is July of each year.
5. Applicant companies will be notified of re-qualification status no later than August 31th of each year.
6. Applications from current CTS companies wishing to move into a higher level (e.g. Member to Silver) will be accepted for consideration only during the re-qualification period July of each year.
7. Applications received in April, May, or June will receive CTS approval through the follow August. (e.g. May 2011 approval is good through August 2012; requalification would be due in August 2012.)

Silver Level Requirements:

1. Employee participation in weekly employee safety training meetings;
2. Conduct and document self-inspections. Minimal self-inspections expectations are monthly for jobs lasting a month or longer. For worksites lasting less than a month, an inspection method to provide adequate safety oversight;
3. Implement a comprehensive written safety and health program based on the ANSI A10.38-1991 Guidelines or OSHA's 1989 Safety and Health Program Management Guidelines;
4. Assign at least one trained employee with responsibility for employee safety to administer the participant's safety and health program and to conduct documented safety and health inspections of ongoing work. Training for this employee shall be the OSHA 30-Hour (or greater) Construction Outreach course (card issuance must be within five years prior to application or re-qualification date.)
5. Conduct an orientation of all new employees in the safety and health program of the company and for avoidance of hazards specific to the contractor's work site(s);
6. Show evidence of employee involvement in the safety and health program (for example, participation in self-inspections, job hazard analysis, safety and health program reviews, safety training, and mishap investigations);
7. Develop and maintain a Substance Abuse Program;
8. Implement a 6-foot Fall Protection Policy;
9. Provide all field construction supervisory personnel with training equivalent to the *OSHA 10-Hour Construction; Outreach Training Course* (card issuance must be within five years prior to application or re-qualification date);
10. Commit at least one representative from the company to be an active member on the ASA-HC Safety committee. Active = attend at least seven of the 11 committee meetings held on the 4th Tuesday of each month, whether meeting is held in person or via videocall, between Sept. 1 and Aug. 31; CTS will be revoked if the attendance requirement is not met
