AIA SANDCASTLE COMPETITION, EAST BEACH, GALVESTON ISLAND

SPONSORSHIP FORM

Saturday, Aug. 25 is the annual Sandcastle Competition put on by the American Institute of Architects on East Beach in Galveston, Texas. More than 80 teams of architectural firm team up with general contractor firms and compete by building extravagantly designed sandcastles. More than 20,000 individuals visit the beach to see the sculptures! As an event sponsor, ASA-HC will have a tent set up during the competition where the annual Fiesta on the Beach will be held. Members of ASA-HC are invited to come to the beach and attend the Fiesta featuring fajitas, margaritas, beer and a shady spot for you and your family to relax during the competition. PLEASE NOTE: Wristbands are required for entry into the ASA-HC tent and can only be requested by ASA-HC members. Per TABC regulations, sponsorship of the ASA-HC Fiesta on the Beach is not tied to wristband distribution.
